Frequently Asked Questions

What does the price for the program include?

Our after-school transportation is part of our Monthly Junior Explorers program for Kids Garden. Children in the program will be picked up from school at dismissal, then transported to Junior Explorers Club. From there, they'll move to homework helpers and art enrichment at Kids Garden centers prior to pick-up. Supervision by staff in a small group setting with exercise, learning, and socialization is what our program includes.

What does 24 hours in advance really mean?

Members must make reservations/cancellations no later than 2:30 PM the day before you need pick up or plan to cancel. Kids Garden requires this notice to make adjustments to staffing needs based on reservations by day for the center and bus staff.

Why is there a \$15.00 Cancellation fee?

When a member cancels pick up after 10 AM, the same day the reservation is made, Kids Garden has staffed the center and the after-school bus to meet the needs of the business by day.

What is a \$25 no call/no show fee?

Kids Garden will charge this fee when a member has a reservation for pick-up and does not show up for the pick-up, or has made alternate plans for transportation and Kids Garden was not advised prior to pick-up. This will hold up the bus departure and involve multiple personnel to ensure the missing child is safe.

Why are parents required to notify the school of Kids Garden After-School pick up?

Parents are required to notify the school of pick-up. When a Kids Garden staff member is on site with the child and there is no record of the school being notified, the school may not release the child until the parent has been contacted.
